MUR # 6666

Dear FEC:

On Friday, June 23, 2012 I sent to your office a signed and notarized affidavit regarding the possible violation of FEC 439a by congressional candidate Joel Carlton Tyner, 324 Browns Pond Road, Staatsburg, NY 12580 ID # C00510966. I included with the three notarized and signed copies of my letter, photocopies of bank statements as evidence of the violation. According to the USPS, the letters were received by your office on Mon, June 25, 2012. I have included with this letter photocopies of the original letter I sent as well as the proof from the USPS that you did receive them.

I have not received any correspondence from the FEC to confirm that you have received my letter or that you are investigating the matter.

I have just been informed that Mr. Joel Tyner never responded to your letter to him dated June 20, 2012 notifying him of the need to appoint a new treasurer within 10 days of the resignation of the previous treasurer. I resigned as his previous treasurer on June 18, 2012. His failure to appoint a treasurer resulted in the inability of the committee (Joel for Congress) to accept contributions and make disbursements (11CFR 102.7(a) and (b)).

I humbly submit to you records indicating that the committee Joel for Congress has indeed made disbursements and accepted contributions without a new treasurer appointed thereby violating 11 CFR 102.7(a) and (b). Please keep me informed of the status of your investigation into these allegations.

Thank you,

Misha Fredericks
